

# Save money and stay on your current medications!

Medicare Part D Open Enrollment is approaching. With a few simple steps, find out if your Medicare Part D plan is making changes or compare other plans to see if you can save money and stay on your current medications.

## All you have to do is:

- 1 Go to [www.medicare.gov](http://www.medicare.gov)
- 2 Select “Find health & drug plans”
- 3 Under the “Personalized Search” section, enter your Medicare information (you will need your Medicare card):
  - ZIP code
  - Medicare number
  - Last name
  - Effective date for Part A
  - Date of birth
- 4 Choose “Find Plans”

## Now compare the plans and medication costs.

By changing plans, you could save money and stay on your current medications!

**If you do not have online access, you can call 1-800-MEDICARE (633-4227).**
